TREVOR ENDRESON

WEB DEVELOPER   **t.endreson7777@edmail.edcc.edu**

PROFILE

I am a web developer located in Seattle WA. I am experienced in front end as well as back end web technologies. I am proficient in HTML, CSS, Javascript, jQuery, PHP, and SQL. I write solid code and I am not satisfied until things are right. My research skills are excellent and efficient. If I do not know something I will learn it.
